

# DAILY DUTIES WORKSHEET

Daily duties are part of your stay at Carey Park (table duties, dish washing, cleaning and end of camp clean-up). Detailed instructions are included in this booklet and are displayed at camp. There is also an option for us to do all, or part of the duties for you. Please contact us if you would like more information on this.

Below is a contents page from the duties folder which we will give you upon arrival. An adult must be in charge of each duty and must stay on that same duty for the duration of camp.
